

The image shows the front cover of an old book. The cover is decorated with a marbled paper pattern featuring diagonal lines in shades of blue and green, with irregular veins of red and white. A rectangular red label with a thin gold border is centered on the cover. The label contains the title and year in gold lettering. The left edge of the book shows a worn, brownish-tan binding material.

We Richard Taylor, James Stevens, Michael Kelly & Allen Potvin do certify that we have set down in the aforesaid Assessment Roll all the real property liable to taxation situate in the Colonies, Ward in the Town of Belleville, and the true actual or yearly value thereof in each case, according to the best of our information and judgment; and also that the said Assessment Roll contains a true statement of the aggregate amount of the personal property of every party named in the said Roll; and that we have estimated the same according to the best of our information and belief, and we further certify that we have entered therein the names of all the resident householders and freeholders, and of all other freeholders who have required their names to be entered thereon, with the true amount of property occupied or owned by each, and that we have not entered the name of any person whom we do not truly believe to be a householder or freeholder, or the true full occupier or owner of the property set down opposite his name for his own use and benefit.
